Mr. Phil Cohen  
Special Programs Division  
General Services Administration (FG)  
Washington, D.C. 20406

Dear Mr. Cohen:

We appreciate your offer of 18 October 1985 to have the General Services Administration contract for us in the area of employee relocation services and we applaud your efforts. Unfortunately, given the mission of our Agency and the need to protect the identities of our employees, such an arrangement would not meet our requirements. The recent Executive Order 12522 authorizes the Director of Central Intelligence to promulgate Agency domestic relocation regulations in consultation with the Administrator of General Services and we believe this mechanism is best suited to satisfy our domestic relocation requirements. We do, however, appreciate your keeping us in mind and wish you well in this important endeavor.

Sincerely,

/s/ Harry E. Fitzwater
